We require a minimum registration of at least one Single Subject per month or One Enrichment Session per month.

Required Payments are each month payment in advance.

If you are securing funds from a Charter School, you must obtain Certificates through your Teacher/School in advance of the month of attendance. You may pay out of pocket for any fees not covered by certificate funds.

We do fundraisers for scholarships and as funds are available participants are encouraged to apply. Our goal is to say "no" to no one!

We meet at the Carousel House at the corner of Garden Street and Cabrillo near the Santa Barbara Pier.

The process is to complete the attached paperwork, and we request payment in advance for at least the minimum sessions you are registering for. If you end up adding more hours or days, then I simply send an invoice and you can include that balance with the next advance payment. If youth miss days, or you pick up early, we cannot offer refunds because our staffing is set each week in advance, based on the registrations. If at all possible we always attempt to make up missed hours however.

We accept payments in the following ways:
